Dedication

We, the Seniors, hereby dedicate this Annual

to

ELDER J. EBERHART

and

PALMER A. SPONSLER

who have coached very successful

teams for Morton

this year.

To the Seniors who are Graduated in 1931

YOU have come to the end of your high school training and must leave the old familiar routine for something new. Thus far your life has been regulated, for the most part, by the requirements of home and school; but now the requirements of school have ceased, and the decision of what the next step shall be is yours to make. The

varied activities of the school are designed to give you a basis for this decision. You have had opportunities to discover your abilities and your interests. You have been helped and guided in building character and citizenship. That you have met the requirements for graduation is definite proof that you have responded to that training as concerns information you have obtained from books and contact with your teachers and fellow-pupils. In the same way your participation in business, professional, and civic matters and your future success will prove whether you have been inspired by the ideals which furnish the foundation of character and good citizenship.

MARY E. RICHESON, *Sponsor.*

HERE is a bit of philosophy quoted from "The Kansas Banker," for the Seniors of 1931. "Born with mind but not with wisdom; born with intellect but not with knowledge; born with power to discern, but not born to discretion and sound judgment; born with adaptabilities but not with abilities; born, it may be, with wealth, but not born to success. Wisdom, knowledge, discretion, judgment, ability, character—these are attainments, not bestowments or inheritances."

W. M. STAFFORD, *Sponsor.*

"A WONDERFUL show!" "Lots of talent in that school!" "Would have done justice to professionals!" These and many more were the comments on Morton's own presentation at the Tivoli Theater on March 27 and 28.

The Morton Band, under the direction of Mr. Cuthbert, opened the program. Well received in all they played, the Mortonite Orchestra from beginning to end showed unusual skill and talent. Their own interpretation of "Tiger Rag" and "St. Louis Blues" made a great hit with the audience.

"The Wedding," a one-act play, was the feature number. Without a doubt Dehaven and Drew proved themselves capable of "Big Time" and kept everyone laughing during their entire act.

Quite numerous are our artists along the lines of music and dancing. Betty Brown, playing her accordion and accompanied by Ted Bock at the organ, received much applause. Also the Miller Chorus in three separate dance acts got a big hand. "Nervous Ferdy" gave a clever dance to the tune of "Somebody Stole My Gal." Along this line comes Frank Salzarulo, who performed in a professional manner in a tap dance act. A specialty number in acrobatic dancing was presented by Edith Uhte, who proved herself quite talented.

Lorraine Connolly sang in a convincing jazz manner three popular pieces, accompanied by Don Tate at the piano.

Harry Kerchival and Robert Chase received many a handclap for their piano duet.

Adding color and variety to the program, the French Chorus gave an interpretation of French peasant life.

Bringing the program to a fitting close the entire cast joined in singing "Smile, Darn You Smile," and thus ended one of Morton's successful attempts in the line of vaudeville.

HOLLYWOOD with its hundreds of extras and cinema stars is the background for the story of "Merton," a movie crazed young man who attempts to crash the gates of "Movieland" and play in really "significant roles," only to find his success in the line of comedy.

The play reveals the picture-making profession in its true light minus all the glamor which is usually attributed to it.

*Here's wishing you luck and lots of fun
From the senior class of '31.*

NEXT year at this time we shall be completely forgotten. but you will be the "ringleaders" of business and social affairs of commencement.

You will forget your childish ways, having attained the position of high and mighty seniors.

Yet we have the feeling that this class, the graduating class of '32 will keep up the standards of former commencements.

We wish you the best of luck in all you attempt to do during your senior year.

Make it a glorious year to be remembered the rest of your lives, for after commencement you will begin an entirely new life.

ATHLETICS

Short Resume of Season

MORTON 19—WILKINSON 6: This game proved to be more of a swimming match than a football game with the Red Devils paddling home to an impressive first game victory.

MORTON 18—ANDERSON 13: Yes, the Morton gridgers were very much in the "lime-light" in this game. They seemed to enjoy it for they tamed the Indians and brought home their second victory.

MORTON 13—CONNERSVILLE 13: Morton led by six points at the half when a bad pass from center put the Spartans in possession of the ball; as a result they tied the score. It was the hardest fought battle of the season.

MORTON 20—SOUTHSIDE (Ft. Wayne) 12:

MORTON 40—RUSHVILLE 19: Earl Foreman tugged the pigskin over for two touchdowns in this game while each of his four team mates scored one. The result was an easy win.

MORTON 0—MARION 7: A Marion player intercepted a pass which the Giants converted into a 7 to 0 victory. The touchdown could push the ball over.

MORTON 13—PORTLAND 0: The Red Devils made this an enjoyable homecoming and romped over the Panthers for two touchdowns and an extra point. This contest proved to be a genuine thriller.

MORTON 7—STEELE (Dayton) 41: Earl Foreman crossed up the entire Big Red team and traveled over the double chalk line for a neat six-pointer. Even then Steele trounced the Red Devils 41 to 7.

MORTON 0—SHORTRIDGE (Indianapolis) 53: Eight times the Shortridge warriors tallied touchdowns and five times they added the extra point. Morton was hopelessly outclassed in this game but lost with a sportsmanship comparable to that of their many victorious games.

The Season at a Glance

The Red Devils opened their season by nicely clipping the Saratoga netters and carried on by winning from Boston with Castellucio leading.

The Morton quintet fell down in the four consecutive games against Logansport, Kokomo, Lafayette, and Frankfort, but they gained ground when Centerville was defeated in an overtime session. This good work continued in the games with Eaton and Rochester. The latter victory was the Red Devil's first Conference win.

The Muncie Bearcats defeated the netters in a decidedly "off" game; however victory returned in the Fountain City and Newcastle games. The Newcastle game featured one of those sensational last quarter rallies that gave Morton their first victory over the Trojans in four years. At the Blind Tourney at Rushville Morton lost to Shelbyville in the preliminaries and again to Rushville in the consolation game.

The Red Devils couldn't stand such defeat and caused a victorious overtime game with Hagerstown the following week.

The Indians of Anderson avenged their football defeat with a six point triumph on their own floor.

The following three games played with Alexandria, Bloomington, and Lebanon were glorious victories for the Red Devils.

Although the games with Connersville and Technical were bemoaned defeats for the Sponslermen, the Red Devils came through with flying colors in the last game when they defeated the Stonecrushers of Bedford for the second time in two years.

At last the day of the Sectional Tourney arrived and Morton came through with flying colors, winning all three games played. In the semi-finals the Sponslermen won a hard fought victory over Hagerstown and downed the Bulldogs of Centerville in the finals with a score of 22-6.

The following Saturday the Red Devils sailed to Rushville followed by many of the Richmond backers. The first game played with Connersville was a never to be forgotten game. The Red Devils, performing like state champions, outscored the Connersville boys and emerged victorious. Yet such playing was not to last forever for the worn out team from Richmond lost a heart-breaking game to the Rushville Lions along with the right to enter the state finals.
